Job Type Full Time

Your role

Do you have experience dealing with legal and regulatory matters related to Global Wealth Management (GWM)? Do you enjoy searching for answers? Are you interested in planning and coordinating all strategic activities related to Global Wealth Management Chief Operating Officer (COO), Credit Risk Officer (CRO) and Client Strategy Officer (CSO)?

We're looking for someone like this to:

- advise our business on all matters arising from the Wealth Management COO, CRO and CSO functions across all areas;

- acting as a partner to the WM COO, CRO and CSO to ensure alignment and clear delineation of responsibilities;

- coordinate strategic GWM initiatives and projects with an impact across all Legal GWM functions and

locations to ensure efficient and adequate legal support;

- think strategically, make decisions that have real impact for our business and clients

- analyze business processes and activities related to client strategy, identify legal risks and support our business to resolve them;

- review and draft legal documentation;

- liaise with internal partners to identify most suitable solutions for our business;

- give clear and concise legal advice to our businesses and functions.

Your team

You'll be working in the Legal Global Wealth Management team. We’re responsible for providing legal advice and support to the GWM business and identify, assess and address legal issues arising from business activities. Our goal is to make sure our clients get systematic, coherent and tailored services and therefore we work closely with our colleagues around the globe.

The role is based in Zabierzów.

Your expertise

- top-tier legal education

- at least 4 years of experience in the banking industry, either in private practice or in-house
