Women in Law Conference 2023

The next ***international Women in Law Conference*** will take place from September 14-16, 2023, at the University of Vienna. Once again, it will give you a unique opportunity to define solutions to the most pressing topics for women* in the legal professions today. Join internationally renowned experts, and share your thoughts, experiences, and knowledge with women* and male* allies from around the globe.

Early Bird tickets are available now **on the conference website**
for a limited time only at a substantial discount (i.e., you can now buy 2023 tickets at the price of the 2022 tickets).

Topics 2023

Kick-off events

- Young voices panel 2.0
  The future is female – how will the next generation of women in law shape the legal professions?*
- Reducing the gender pay gap
  How can the legal professions reduce their gender pay gap? What effect can legislation and legal activism have on reducing the gap?

4 Conference Tracks

1. **Women's rights**
   How can (female) legal professionals contribute to improving women's rights? Why do they matter in the legal professions?*
   Focus on age and disability
2. **New work**
   What does the legal workplace look like in the future? Which role will women play in the implementation of new work? How can companies in the legal world become more open-minded, agile, efficient, and innovative? How can women* in law combine professional development with personal growth?*
   Including a critical analysis of platform-work
3. **Anti-Discrimination – Gender Equality 2.0**
   What does an inclusive workplace look like in the legal field? What are the benefits of intersectional, interdisciplinary teams?
   Focus on practical steps to create an inclusive workspace
4. **Career planning**
   Female careers in the legal professions: what do they look like, and how can they be more attractive for Gens X, Y, and Z? How can we establish intergenerational support, and why does it make all women stronger?*
   Focus on mentoring and networking
